February 24, 2011

Dear Parents,

We hold Religious School registration at this time in order to plan as best we can for next year. An early registration allows us to determine the number of classes we will need, map out our classroom space and hire the best possible teachers. We ask that you fill out and return as promptly as possible the enclosed registration forms, along with a **\$200.00 deposit per child, no later than Wednesday, March 16th**. This fee is refundable through **July 1, 2011**. **The balance of Religious School tuition will be due July 1st, 2011 with your Temple registration dues.** To simplify bookkeeping and to avoid charges for school events during the year, a one-time fee per student covering the costs of all books and school programs will be applied. This fee is payable as part of your full Temple registration for 2010/2011.

We are not able to enroll students or to hold your place in Religious School until your completed Registration forms and \$200.00 deposit are received. Confirmation of your sessions will take place after your Temple Registration has been processed. TBC's payment schedule for congregational membership must be met to maintain your place in the Religious School enrollment.

Our Religious School offers programs for children in Preschool (Junior Chai) through 10th grade. A summary of sessions is as follows:

- Preschool (Jr. Chai) Meets on selected Sundays in second session, schedule to be determined.

- Grades 8-9 -10 (Pre-Confirmation)

As enrollment for all classes will take place on a first come, first served basis, we encourage you to register early to secure the time slot(s) you prefer. Although we will do our best, we cannot guarantee enrollment in your preferred session.

Sincerely,
Cindy Baulsir
Education Committee Chair
